Dear Parul,

I am glad to inform you that SIAA P4 Arthroplasty Conference 2016 scheduled at Hotel Trident Hyderabad 13th – 14th August, 2016 with ICE appointed as conference managers, has been a huge success. The conference witnessed more than expected delegates globally.

At the onset I would personally like to thank you and the entire team from ICE who were present on the floor taking care of all the delegates and ensuring that the minutest of details are addressed and executed. ICE ensured that the website management, registrations, communication with delegates, sponsors and speakers and exhibitors was done meticulously.
