Dear Naveen,

I write to place on record the appreciation of Ministry of External Affairs for the enormous contribution made by M/s Integrated Conference and Event Management (ICE) in ensuring the success of the third India Africa Forum Summit (IAFS III) during 26- 29 October, 2015.

2. The services provided by your Organization were extremely professional and of a very high quality. The dedication and diligence of your staff played an important role in the meticulous implementation of the Summit programme especially the cultural event at the Inaugural Ceremony. It was indeed a pleasure to have worked with an extraordinarily talented group of people who delivered on what they promised.

3. I hope we will have other opportunities to work together and wish you all success in your future endeavours.

with regards,

Yours sincerely
